Partition Closure (PCS-Series)

Compression Seal

For vertical joints between interior partitions and exterior curtain walls or glazing systems

- Simple, aesthetic appearance
- Economical single-component design
- Long-lasting flexibility
- No fading from UV light
- Reduced labor costs with 100-foot lengths (less splicing) - industry’s longest!
- Easy to cut and install
- Dampens sound transmissions

100% SILICONE
## Partition Closure System (PCS-Series)

**APPLICATION**
- All-in-one system for the expansion joint between exterior glass or mullion curtain walls and CMU or drywall partitions

**FEATURES**
- Inexpensive
- Quick and easy to cut on-site
- Quick and easy to install
- Versatile applications
- Accommodates ±25% movement
- Made from endurant silicone (doesn’t deteriorate or fade over time)
- Black color standard with other colors available to match building materials*

**PERFORMANCE**
- Tested for cyclic movement under the ASTM E1399 Standard
- Tested for sound reduction qualities of up to STC-58 (double-sided install)
- Contributes to LEED® credits

---

*Other colors subject to 100-foot-per-product minimum order quantity or set up charges. See Dow Corning® 790 for available color palette.
